Outstanding Appeals

- Appeal 002/0214

For the record it is noted that Members Andrea Bryan and Lemuel Hurlston continue to recuse themselves from this matter as the appellant previously worked with both Members. They will continue to recuse themselves from any meeting or matter which relates to this appeal.

The CSAC has now received a response from the Chief Officer whose decision is being appealed and a submission from the appellant responding to any new information raised in the Chief Officer's response. After carefully reviewing the appeal submission, the response from the Chief Officer and the follow-up response the CSAC considered the validity of the appeal and agreed that in relation to the appellant's appeal there was no evidence to suggest that the Chief Officer acted in an unfair or biased manner, or in a manner inconsistent with the requirements of Part VII of the PSML.
