

CSAC Appeal 002/2015 – Record of Decision

Appeal 002/2015 was received on 28 January 2015.

At the time the Appeal Form was submitted the Appellant requested additional time to perfect and submit grounds and provide other relevant evidentiary documentation. The appellant indicated this was necessary because of the numerous freedom of information (FOI) requests that had been made. The Commission agreed to allow the Appellant the additional time necessary to receive the responses to the FOI requests and also offered its assistance in obtaining any necessary documentation.

The Appellant declined the Commission's offer but continued to update the Commission on the status of the FOI requests. Ultimately, the Appellant decided to withdraw the appeal.

The appeal was withdrawn by the Appellant on 24 March 2015.

It is noted that Chairman Donnie Ebanks along with members Lemuel Hurlston, Stacey van Develde, Dorothy Crumbley and Deanna Lookloy were all made privy of the appeal and subsequent withdrawal.
